Weather Related Business Operations Policy

If the county you live in or pass thru is under a Travel Warning please follow the instructions below –

A “warning” is the highest level of local travel advisory, means that travel may be restricted to emergency management workers only.

During a “warning” local travel advisory, individuals are directed to:

- (A) refrain from all travel;
- (B) comply with necessary emergency measures;
- (C) cooperate with public officials and disaster services forces in executing emergency operations plans; and
- (D) obey and comply with the lawful directions of properly identified officers

You are NOT required to report to work if Elkhart County, City, or a County/City you MUST travel thru to arrive at work is under a “travel warning”.

In the event Elkhart County or City is under a “travel warning” the company WILL be CLOSED.
These absences would NOT count against your Attendance Record.
