EQ United Group Information

Group Name - EQ United		<i>This is what Group Member's will use to find our Group & Register to Ring.</i>
Where do Volunteers Go to Sign Up for Shifts?	RegisterToRing.Com	<p>★ Group Members will go to <i>RegisterToRing.com</i> and enter our Group Name above to sign up for shifts.</p> <p>OPTION 3</p> <p>I created an account for our group members to associate with, but <i>group members will schedule their own ring times and locations.</i></p> <p>Select this option if you would like friends, family, or others to associate with your volunteer group, but you will not schedule a specific time or place for your group to ring. For this option, you are only creating a group account. Once you have selected a Group Name and created an account, you will notify your group. Then, group members will go to RegisterToRing.com, select "Find a Group," and using the Group Name you have provided, they will schedule when and where they'd like to ring. As the group leader, you will see who rang on behalf of your group.</p> <p><i>Example: You are the High School National Honor Society leader, and your students need to complete four volunteer hours. Your students will go to RegisterToRing.com, find your group, and schedule when and where they would like to ring. As the leader of your group, you can log back into your Register to Ring account and see who rang, how long they rang, and how much each individual (or group of individuals) raised on behalf of the National Honor Society. And since you are competing with a neighboring school, you can also see how much we raised as a group.</i></p> <p>Note: If the amount you raised does not appear online, please contact The Salvation Army for your totals.</p>
